The Houston area Hispanic Women in Leadership (HWIL) has some exciting news to share with you!

HWIL is proud to announce the celebration of **100 Women in Leadership**, an inaugural event that proudly recognizes 100 local, grass-roots, Hispanic women that have demonstrated significant accomplishments and tireless commitment to their community.

We would like to invite you to participate in **sponsoring** this year's event called "**Houston's 100 Women in Leadership**" The event will commence with a VIP reception from 6:00 to 7:15 pm with the program/dinner to follow, on October 22, 2009, at the Red Oak Ballroom at Town and Country.

This is truly a unique opportunity for sponsors to publicly thank those who have given so much of themselves to help others and better the community. While at the same time, provide the opportunity for those less fortunate to further their education and fulfill their career paths through scholarships, as is the mission of HWIL.

Hispanic Women in Leadership (HWIL) is a non-profit organization chartered in June of 1988 to encourage and promote the development and advancement of all Hispanic Women.

In conjunction with this goal, the organization promotes education of Hispanic women and girls, identifies successful role models, develops a network of professional women, and encourages Hispanic women to embrace and celebrate their cultural heritage with a mentoring program.

HWIL recognizes the importance of educating our future workforce and with this in mind, is committed to raising money for scholarships to deserving, low-income, young Hispanic women. In addition professional development, Hispanic Women in Leadership also sponsors other fundraisers to help achieve the scholarship goals throughout the year.

I have attached our sponsorship levels for your review and I will be contacting you in the next couple of weeks to discuss this important event. I look forward to have you join in our efforts to make this a monumental success.

Sincerely,

Lucy Reyna
President, HWIL
